

JIM AND EMI CIVALE — YOUR MISSIONARIES TO SAMOA

Testifying... repentance toward God, and faith toward our Lord Jesus Christ. ACTS 20:21

PRAYER LETTER ~ JUNE 1, 2016

Dear Friends,

Last month, our big events were the conclusion of the three-week Sewing School mentioned in last month's prayer letter and our Mothers Day services. Everyone in the church needed and appreciated the sweet fellowship and sense of unity the events inspired.

On Mother's Day, we had several unsaved people visiting in both services which gave me a chance to give a clear gospel message to those who needed to hear it. Please pray for those visitors.

Emi traveled over to the main island on Friday and Saturday of Mother's Day weekend in order to serve as a guest speaker for the Lighthouse Baptist Church Ladies group. From all accounts, the Lord blessed her speaking and the ladies appreciated her ministry very much.

For the later part of the month, Emi and I traveled over our first church plant in order to coordinate a funeral for a family there. In fact, we are still here at the time of writing this letter. The funeral will continue over the next four days before we head back to the second church plant.

We are also busy preparing for the missions team that the church will be hosting from June 17-25. During the team's time with us, we will have a three-day Vacation Bible School, a two-day ladies conference, a three-day youth camp, and special preaching services throughout the week. It is a whole lot to fit into nine days, so please pray for each of these events as well as the following...

- (1) Safe travels for the team
- (2) Good health for the team
- (3) Revival and spiritual growth of our church members
- (4) Salvation decisions

We do appreciate your prayers more than we can say.

Your grateful friends,

Jim & Emi Civale

2017 FURLOUGH PLANS

Our next furlough will be from March to December of 2017. Emi and I hope to minister in as many new churches as possible and we particularly love missions conferences. Please pray for open doors. If you can recommend any churches, please email us at

civalejim@yahoo.com.

We will also make ourselves available to update our supporting churches and humbly ask them to let us know if they would like to have us in to report.

We had our largest number of mothers in attendance for this year's Mother's Day Service and couldn't even fit them all in the picture
