

BAPTIST INTERNATIONAL MISSIONS, INC.

DR. DAVID SNYDER PRESIDENT & GENERAL DIRECTOR

July 2, 2016

Dear Pastor or Missions Director,

Greetings from BIMI's World Missions Center. I trust that this letter finds you enjoying the blessings of the Lord.

I am writing to give my wholehearted recommendation for Jim and Emi Civale. I first met the Civales in 2006 when they joined BIMI. Ever since that first meeting, I have been impressed with their gracious spirit and kind disposition. It is very obvious that the Lord's hand has been upon them as they have ministered in the islands of the South Pacific.

As you consider the possibility of financially supporting the Civale family, please know that they will be a wonderful investment of your missions dollars. We have watched God use them greatly in two different church plants and I am confident that they will continue to be used in a great way in their future church planting ministry.

Thank you for your time and consideration of Jim and Emi Civale and the ministry God has called them to accomplish. May the LORD richly bless you!

In Christ,

David H. Snyder
